

CIVIC MORNING MUSICALS

Established 1890

The Wednesday Recital Series

Wednesdays at 12:30PM, Hosmer Auditorium, Everson Museum

This coming Wednesday, March 10, 2010, CMM is proud to present SSO Principal Clarinet **Allan Kolsky** along with Principal Bassoon **Greg Quick** and pianist **Sar-Shalom Strong** in a program of duo and solo music. Once again, the SSO musicians are bringing hard-to-find repertoire as they have programmed Richard Strauss's Duet-Concertino for clarinet and bassoon. They will also play the Brahms F minor Sonata and a piece for solo clarinet by Shulamit Ran. Come to the Everson to hear this wonderful free program and take in Tim Scott: The Sixties - When Colour was Sculpture and Jen Pepper, a feature of the New York State Artist Series. CMM has many fine and varied concerts coming up this season, including a piano quartet, a flute quartet, and a novel piano recital presented by the **Pikarsky** brothers in their first-ever combined program.

You may visit CMM on the web at www.civictimorningmusicals.org CMM expresses its thanks to the many musicians who give of their time, imagination, and love to make these events the wonderful things they are. Also, stay tuned to, and support WCNY-FM, where you will hear the best in classical music, and news of CMM's coming events.
